# THE WILLIS BAUSCH DIFFERENCE ***A LEGACY OF STYLE & PERFORMANCE***

**SUPERIOR TOWERS:** Full, Tuna, Half, Low Profile, Consoles & T-Tops feature anodized welds, polished bends & diagonal supports precision-crafted by highly skilled welders.

**ULTRA-LIGHT HARD TOPS & STANDING PLATFORMS:** Custom-built using resin-infused technology that also allows for integrated radar pods, masts & domes, inverted radio boxes, teaser reels compartment, drop-down electronic screens, forward enclosure wash nozzles, spotlight bar, dome, navigation & spreader lights.

**INNOVATIVE ACCESSORIES:** Control Boxes, Seats & Back Rests, Rod Holders & Lockers, Kite Boxes, Hydraulic Riggers, Bow & Hand Rails. If you need something you don't see in our website gallery, don't hesitate to ask. Chances are we can make it.
